

Implementing the DH cardiac rehab commissioning pack

What it means to you

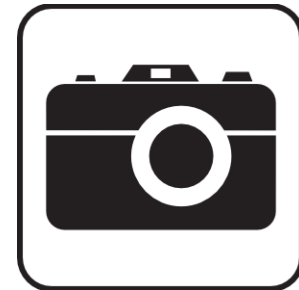

10th May 2011

South London
Cardiac and Stroke Network

Before we begin

- Toilets
- Emergency exits
- Photos
- Evaluations

Aims of today

- To introduce you to the CRCP
- To highlight potential impact of CRCP
- To share lessons from pilot sites
- To support understanding of performance indicators

'Implementing the DH Cardiac Rehabilitation Commissioning Pack – what it means to you'
