

# Future demand and activity

Russell Don

Assistant Director, SLCSN

South London  
Cardiac and Stroke Network

# Opportunities for CR

- NICE guidance heart failure
- London CV Project
  - NSTEACS
  - Arrhythmias
- NHS Health Checks

# However...

- Need to be organised and efficient
- Need to demonstrate return on investment
  - What does a commissioner get for their money
  - Outcomes and not just activity
- Need to have a robust understanding of costs of service and outcomes to support requests for additional funding
- Need to be aligned to CRCP
