

Five Study Days on Stroke

If you are working with people who have suffered a stroke our study days will help you to increase your knowledge and skills in stroke management

AMENDED DATES

Day 1	Thursday 6 May 2010	Critical care of people following an initial stroke
Day 2	Thursday 20 May 2010	Nutrition and swallowing in stroke patients
Day 3	Tuesday 22 June 2010	Rehabilitation in a ward setting
Day 4	Tuesday 13 July 2010	Communication issues and stroke
Day 5	Tuesday 3 August 2010	Stroke pathway, policy and discharge planning

Time: 09.30 – 16.00

Venue: St George'

The programme is flexible enough to enable you to identify which aspects of stroke management you need to develop and therefore you can choose study days most appropriate to your learning needs. Each study day can be taken on its own or you can combine a number of study days. The study days are open to all staff working with stroke patients.
